Greeting from Little Chapel on the Boardwalk Presbyterian Church (USA),

We are excited to share with you some fantastic news about our Matthew House! In an effort to provide mission groups with affordable housing when they come to New Hanover County, we have recently renovated a charming beach house that will accommodate up to 18 people. The Matthew House is located on our church property, which is just one block from the ocean. After a hard day's work, you will find it a most peaceful, inspiring location to unwind and reflect with your group about what was accomplished that day and gear up for the tasks that still lie ahead.

Once you decide on a mission project and know the week you wish to come to the area, please complete the Registration Form and Mission House Use Contract (see links) and return them to us, along with your non-refundable deposit.

If you want to come and do not have a mission contact, please see the link for WARM, for information about the Wilmington Area Rebuilding Ministry (WARM) and Habitat for Humanity. We work closely with these organizations.

We hope you will want to make Wrightsville Beach and New Hanover County your next destination for your mission trip. We are booking for both this and next summer, so it is not too early to determine your mission project and make a reservation to stay at the Matthew House. Please contact Ann Martz, Matthew House Coordinator, amartz5@ec.rr.com, if you have any questions.

In His Service,
The Reverend Pat Rabun
