JUNE 20, 2022 6:00 p.m.**

The Session of Little Chapel on the Boardwalk Presbyterian Church, PCUSA, met for a stated meeting on Monday, June 20, 2022, at 6:00 p.m. in the Sanctuary. The Board of Deacons was also present as part of a called joint meeting.

CALLED JOINT MEETING OF ELDERS AND DEACONS

The Called Joint Meeting of Elders and Deacons was called to order by Dr. John Earl, Pastor and Moderator.

PART IA: JOINT MEETING DISCUSSION AND VOTE ON VISION

Meeting: The two leadership groups met together in room 201 for the purpose of choosing a Vision Statement for Little Chapel on the Boardwalk.

Elders and Deacons first met to briefly review and discuss the two primary vision statements which resulted from previous meetings and workshops of each group together and separately. A secret ballot was conducted, with votes of those elders and deacons who could not attend reported following the in-person vote.

The vision statement chosen was: "We believe God is calling Little Chapel on the Boardwalk to be a congregation welcoming all ages. Our vision seeks to use our God-given resources to offer ministry and build programs for all ages."

PART IB: JOINT MEETING -- WHAT FOLLOWS THE SELECTION OF THE VISION STATEMENT?

Communications: Dr. Earl explained that communicating this vision to the congregation is critical to its success. It is also important that everyone understands that this is *not* a Mission Statement, but will guide the PNC as they search for our next Pastor.

Several tools will be used:

Newsletters and publications, both print and online

Messages from the pulpit
Friday telephone messages
Information sessions held for members of the congregation
Information from Elders and Deacons
Meetings of College of Elders
Other tools as available

Conclusion of Joint Meeting: Following this discussion, the Called Joint Meeting of Elders and Deacons concluded with prayer, and the members of the Board of Deacons were excused.

PART II. STATED MEETING OF THE SESSION (continued)

The Stated Meeting of the Session resumed and was called to order in room 201 by Dr. John Earl, Moderator.

All items on the Consent agenda were approved unanimously.

Quorum change: This topic was proposed by Mary Jo due to quorum concerns at some meetings this year. Marti made the motion: "When the Session of LCOB has only eleven sitting Elders, the quorum shall be six Elders and the Moderator. When the Session has twelve sitting Elders, the quorum will remain seven Elders and the Moderator." Seconded by Beckey Smith, the motion was **approved by common consent**.

SPECIAL REPORT to SESSION:

Congregational Care Committee of the Diaconate: Dr. Earl relayed that the committee is investigating a new software program for the organization of information about members in need and the volunteers willing to serve the need. Categories include such things as visits, meals, cards, and errands. This program will be accessed by the congregation on the church website, and the data entries will be monitored by members of the committee, who will coordinate the volunteers.

SESSIONAL COMMITTEE REPORTS

Christian Education Committee: Christine Kennedy, Moderator

No report.

Finance Committee: John Copeland, Moderator; Dickson Bridger, Elder

Fifth Sunday offering: John reported that the only committee which requested consideration to receive proceeds from the July Fifth Sunday offering was the Communications Committee of the Diaconate. They would use the funds to purchase an additional camera for live streaming. John proposed that the offering from July would be dedicated to that cause. **Session approved the request** by common consent.

Stewardship planning: John outlined the likely schedule for the fall Stewardship Season, developed with Chris McKirachan of Stewardship (Diaconate). He anticipates that this will be an effective way to maximize the opportunity to reach all members in a timely manner.

Funding for Property proposals: In response to proposals from the Property Committee, Finance has allocated \$23,000 for the projects they wish to fund. (Details under Property Committee report.)

Increasing budget possibilities: Pastor Earl remarked that increasing the net income of the church should be a priority. The newly-adopted vision as well as the current and future needs of the congregation all necessitate a significant funding increase. John Earl asked elders what might be ways to do this, and the following suggestions resulted: increase giving, capital campaign, line item funding, use of our line of credit, increased donations through wills and endowments, rental of unused or little-used space, and the sale of church property. No further action was taken on these suggestions.

Mission Committee: Beckey Smith, Moderator; Marti Shogi, Elder

Parking lot receipts: Marti reported that the Memorial Day weekend mission yielded \$5780 in donations from guests who parked in the LCOB lot. Those funds will be added to our remaining balance our Eden Village house. Many volunteers and great vacation weather made this three-day event a success.

Personnel and Planning Committee: Ed O'Neil, Moderator; Lisa Jordan, Elder

Nursery attendant: A second nursery attendant is being sought to help assure continuity on Sundays for our children and their families. Online job postings are being used to increase the number of possible applicants. In addition, this position enables us to better comply with Safe Sanctuary requirements.

Property Committee: Barry Lindholm, Moderator; Hank Metzger, Elder

Projects: Plans for the remainder of the year include the painting of the Oxford Street exterior side of the church, renovating the staff office area, and refurbishment of room 201. Funds allocated by the

Finance Committee total \$23,000, and will allow for the completion of at least the first two items. Elders suggested that the carpet in 201 be stretched rather than replaced, and this is being considered by the Property Committee.

Worship Committee: Terry Paterson, Moderator; Sherri Alexander, Elder

Beach Sound System: The committee is initiating a conversation on improving the sound system for the beach service. Desired features include reasonable cost, portability, ease of use, and durability in beach weather. The committee is searching for technical advice on such a system, and a variety of options were suggested. This is not an immediate project, but it is important establish a plan, as the current equipment may not be a long-term solution.

UNFINISHED BUSINESS

Officers of the Month: Lisa Jordan, Marti Shogi, and Dickson Bridger all agreed to serve in currently unfilled slots for Officers of the Month.

NEW BUSINESS

Church Security: Marti Shogi related how, as a member of the choir, she is able to see the narthex and open doors during worship each Sunday. While there is usually an Officer of the Month present in the narthex, the doors present an opportunity for intruders to enter, with the potential for harm to those worshipping. Formerly, off-duty members of the WB Police Department would sometimes serve in our narthex, but no officers have been available in quite some time. Following a discussion of possible ways to address this concern, the elders decided that duties of the Officer of the Month will now include closing/locking the doors of the church shortly after the beginning of each service, checking each and every exterior door to assure that it is firmly closed/locked, checking hallways and open rooms, and paying attention to anyone who may not be from the congregation.

The next stated meeting of the Session will be on Monday, August 15, 2022, at 6:00 p.m. in room 201.

Pastor Earl closed the meeting with prayer at 8:00 p.m., and all present sang, "God, call us home; Christ, make us one. Come, Holy Spirit, love will be done." The Christ candle was extinguished.

Mary Jo Kohunsky, Clerk of Session

We met on 8/7/22 to discuss Rally Day, adding donuts and devotions for the middle school age kids on Sunday mornings and where we need volunteers or to hire support staff so we stay within the bounds of safe sanctuary.

Rally Day;

We'd like to have a good Will offering basket and Venmo set up to help off set the cost of food, free ice creams to all and bounce house/slides.

We will be advertising to the entire community- WB, Wilmington on social media etc

John has set up bible study classes and teachers to get us through to 2023.

And a pamphlet will go out to the church and to those coming for rally day showing everything we have to offer.

We have a nice handful of kids so pushing CE now is critical in growing the church!

Worship Committee

August 8, 2022

The Worship Committee of LCOB met at 9:00a.m. on August 8, 2022, in the Conference Room. Sherri Alexander called the meeting to order and opened with a prayer.

Present: Sherri Alexander, Terry Paterson, Janice Allen, John Earl, Judy Gibson, David Heinzman, Connie Houser, and Janet O'Neil.

Absent: Harriett Andrew, Carole Coble, and Ginny Hall

All sub-committees reported on their activities and the changes that have been made as we have moved back into a more consistent schedule.

Janet O'Neil reported on the Beach Service that has had really good attendance all summer. The two biggest needs are the sound system and moving the service back into the church after Labor Day.

After some discussion, Janet O'Neil made the following motion which was seconded by Terry Paterson:

Beginning September 11, 2022, ARISE, an alternative worship service will be held at 8:30 a.m. in the Fellowship Hall for 45 minutes and will continuously be evaluated for its effectiveness in "growing" the church and meeting the spiritual needs of its attendees. **

The motion was passed by the committee and will be presented to the Session for approval. The committee continued to discuss the details of the service and the needs that might occur to provide a spiritual, meaningful, and casually comfortable service.

John Earl closed the meeting with prayer.

Next Worship Committee meeting – September 12, 2022

Respectfully submitted,

Terry Paterson
