

OCTOBER

Sunday Worship in the Sanctuary at 8:30 am and 10:30 am

2019

Dear Little Chapel on the Boardwalk family,

I hope that after you finish reading this article that you will go immediately to your calendar and circle Sunday, October 6; and be sure to be in attendance at Little Chapel that day. It is going to be a full, fun, and exciting day at Little Chapel on the Boardwalk.

October 6 is World Communion Sunday, so we will be celebrating the Sacrament of Holy Communion with Christians from all over the world.

Every denomination within Christianity will be celebrating communion that day. For us at Little Chapel there are other reasons this day is going to be special in addition to it being a celebration of communion.

On that day we will have ONE service only at 10:30. There will not be an early service that day. And during the 10:30 service we will be welcoming those new folks who are joining Little Chapel.

And then following the service, we are going to have a 'covered

dish' lunch in the fellowship hall. So be sure and bring along your favorite dish to share with other Little Chapel folks.

While you are sharing in that delicious meal, members of the Session and the Board of Deacons are going to be talking with you about what their committees are doing and providing an opportunity for you to serve on one of them.

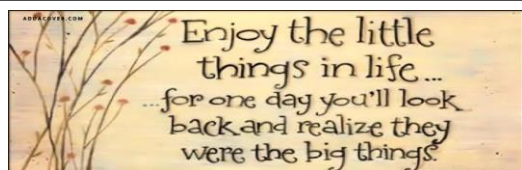

So, to recap: October 6...only one service at 10:30 in which we will be celebrating the sacrament of Holy Communion.

And also during that service we will welcome new members, and then following the service there will be a COVERED DISH LUNCH in the fellowship hall in which you will have the chance to hear from the various committees of Little Chapel.

What an exciting morning it will be. I hope all of you will make plans to join us!

Blessings,

Pastor Pat

SEPTEMBER HIGHLIGHTS

The Worship Committee has planned one service at 10:30 AM on Sunday, October 6, which is also World Communion Sunday. After our worship service there will be a potluck luncheon in the Fellowship Hall. We will also hear reports from all church committees, with opportunities for everyone to volunteer for committees of interest. We encourage all LCOB members and visitors to join us on that day for worship, fellowship, good food, and an opportunity to volunteer to serve in an area of interest. God calls us to serve!

The Sacrament of Holy Communion will be celebrated on Sunday, September 29 at the beach service, as this is the last beach service for 2019. Thanks to all who have helped with the set-up for this service, and special thanks to Barbara Tyndall for her dedication each week in helping with set-up and clean-up at the beach.

The Session has approved a Tree of Life project for the church, creating opportunities for memorials for the congregation. Stay tuned for details!

A LCOB Security Committee has been established to address security issues for the church building and parking lot. This committee has met and security needs are being addressed by the Property Committee.

In addition, this committee recommended, and the Session has approved, a plan to have an off-duty law enforcement officer on our premises on Sunday mornings: 8:00 AM - 12:00 Noon.

The purpose of this officer will be to provide security for worship services. Details are being worked out at present and the congregation will be notified of arrangements when in place. Ed O'Neil has volunteered to chair this committee.

The Finance Committee will begin working on the 2020 budget and all committees are asked to present their budget requests to this committee by October 27.

We plan to welcome new members on October 6 at the 10:30 AM Worship Service. An information gathering will be held at the manse, 11 W. Oxford Street, on Tuesday, October 1 at 6:30 PM. Church officers will be present to welcome these new members, enjoy fellowship, and to acquaint them with church policy and practices.

The Worship Committee has been planning our Advent and Christmas activities. An Advent Devotional Booklet will be developed using meditations written by church members based on suggested Scripture readings. Details will follow soon, with opportunities for all to participate in this Advent project.

The Presbytery of Coastal Carolina will meet on Saturday, October 12 in Dunn. Elder Beckey Smith will be the LCOB Elder Commissioner.

Holiday Parking Lot receipts for the three holiday weekends totaled \$8839.95. These funds are designated for missions and are distributed by the Mission Committee. Special thanks to all those parking lot volunteers who worked long hours in the summer heat to collect these funds for our various mission activities.

The annual Thanksgiving Community Service is scheduled for November 24 at 7:00 PM and will be held at the Wrightsville Beach United Methodist Church. Beach churches participate in this community service and the congregation of LCOB is encouraged to attend & participate in worship with our church neighbors.

John Copeland (left) and Al Wordsworth are co-moderators of Little Chapel's Finance Committee. They recently provided answers to questions about their committee's mission, work, responsibilities, and challenges. Thanks, Al and John for helping us better understand the workings of the committee.

Q. The finance committee has as its mission to supervise the financial affairs of Little Chapel.

Let's start with the budget. Explain the budgeting process and your working relationship with other committees, Session, Board of Deacons, church staff, etc.

A. The budgeting process allows the church to plan future expenditures based on the expected funds available to the church. The finance committee's role in this process is to work with the other committees of the church to make sure the proposed expenditures are in line with the expected funding.

Once the budget is established the finance committee provides periodic reporting updates to facilitate keeping the church within the budget.

Q. Most of the funding for our annual budget comes from our members' pledges and offerings.

Why is it important for our members to pledge?

A. It is important for members to pledge as this provides a reliable estimate of funds that will be available for future expenditures. This in turn allows church committees to plan for the coming year and make sure the church funds are used in an appropriate manner.

Q. It's very likely that many of our members use automated bank drafts or automated credit card withdrawals for paying routine monthly bills (power, water, loans, etc.), yet very few take advantage of Little Chapel's bank draft withdrawals to fulfill their pledge commitments. Do you have any explanation why that is?

A. Many members may not know about that this program is available. Members should consider using it if they feel it would be convenient

Q. The committee also oversees the endowment fund. What's the status of the fund, plans, concerns?

There is an endowment committee that oversees the administration of the fund and Wells Fargo manages the

investments. The fund has benefited from the stock market being at record levels. The YTD return has been 10.4%. Since inception the return has been 7.3%.

The endowment committee makes periodic distributions from the fund. The distributions are currently focused supporting charities that feed and service children in our area.

The July distribution provided \$27,092 to local charities, \$5,806 to the Capital Improvement fund and \$5,806 to the Insurance deductible fund.

Q. Since we are still in hurricane season, let's talk insurance.

Are all 3 properties covered under the same policy or are there special considerations for each? What are our annual insurance costs?

A. With our location in Wrightsville Beach insurance is a necessary and significant expense. Property insurance cost \$40,000 per year and flood insurance is \$18,400. Combined we are paying about \$1,100 per week for insurance premium.

In addition to the premium the property insurance deductible is in the range of \$26,000.

Q. The damage done due to hurricane Florence -- were we adequately covered? Any adjustments for this year?

A. The roof of the church had to be replaced after Florence. The work is nearing completion and hurricane Dorian provided a good test to see if there are any leaks.

The church is still in the process of submitting evidence of expense to the insurance company. All indications are the insurance company will reimburse the church for the claimed amount, but this is still in process.

Q. What is the finance committee's' role or duty in insuring prudent financial decisions? Explain how and

how often Little Chapel is audited and what the results of the audit reveal.

A. The Session manages the affairs of the church. This is a dedicated group of people that are cautious/prudent with the church funds.

Expenditures are discussed and this group works hard to put available funds to a good use. The church financial statements are reviewed annually by an independent agency. The most recent review did not find any major issues.

Q. Explain Little Chapel's scholarship, memorials, and gifts policies for us.

A. Glad you asked this question as I have not seen the policy that covers this.

What I know –

There have been members who have granted memorial and scholarship funds that the church administers. Some grants are earmarked for a specific use and others have been granted to a general fund.

There is a scholarship committee that meets each May to review scholarship applications and grant awards.

Q. Does Little Chapel have any outstanding loans?

A. The church has a \$50,000 line of credit available for use. We have not had to use the line of credit recently, but we keep it open in the event we get an unexpected expense.

Q. We all should know Little Chapel's infrastructure has limited life. What short and long-range plans are there for replacement? Are there any capital fund campaigns in the making?

A. The property committee does an excellent job of maintaining the church facilities.

The plan is to continue to keep the facility structurally sound and it should last for years. The endowment committee did provide \$5,806 of capital funding in July.

Continued on next page

Also, during the annual budget process some funds are set aside to cover unexpected maintenance actions. Each year the capital fund balance is reviewed for possible funding increases.

Please help us keep the narthex a welcoming space. As we get closer to the Advent and Christmas seasons, we have more opportunities for groups to use this time of year to raise funds for their various projects, and though we don't want to prohibit any group from raising monies, we do ask that tables be set up in the fellowship hall and not the narthex.

With pastries and coffee and our new kiosk in the narthex, we are limited in space and so the Session has requested that all fund-raising activities happen in the fellowship hall.

This will allow for the narthex to be a place where people can be welcomed into worship.

Wrightsville Beach, NC 28480

Dear Rev. Rabun,

On behalf of Good Shepherd's Board of Directors, staff, and more than 500 volunteers, I thank you for your contribution of \$4,000.00. Your gift supports our mission to feed the hungry, shelter the homeless, and foster transition to housing.

As you may know, Good Shepherd is the largest provider of homeless services in the region and has been helping the hungry and homeless for more than 35 years. With your help and support we are able to continue to serve our neighbors in crisis, including men, women, families with children, the disabled, elderly, and Veterans.

Last year, Good Shepherd successfully served over 89,000 hot and nutritious meals to our hungry neighbors, sheltered hundreds of individuals and families who had no place to call home, salvaged and redistributed 900 tons of food, and transitioned 189 men, women, and families with children back to safe, affordable housing. Your generosity inspires us to do even more.

Thank you again. Your gift truly makes a difference.

Sincerely,

OUR BEACH SERVICE COMES TO AN END FOR THE SEASON...

Our final beach service of the year will be on Sunday, September 29 at access #4. During that service we will celebrate the Sacrament of Holy Communion together.

Over the past 8 years, I cannot even begin to count the number of people who have come up to me following a beach service and expressed their gratitude that Little Chapel provides this worship experience.

Some of you reading this newsletter are part of our wonderful congregation because of the beach service. A couple of weeks ago I received this letter in the mail. It is just one example of how the service has touched others:

Dear Rev. Rabun,

I attended your service and communion on the beach on August 4, when I was vacationing on Wrightsville Beach. I attend church every Sunday in my hometown as church organist, choir, and praise band accompanist. I had

never experienced a service on the beach, but was so glad I did! I loved the service. It was beautiful and very sacred in a simple, humble way. Communion made the service even more special. Thank you for providing this outreach. I know God is using you and your church in an amazing way. May you all continue to be faithful as you spread God's love in this way.

*In Christ's love,
Debbie Thompson*

As we bring the service to a conclusion for this year, I want to especially thank Barbara Tyndall for being our "point person" this year. Barbara was out there every Sunday to make sure things were ready, and she did a great job.

Also, I want to thank those who helped by towing our trailer out to access #4 each Sunday: Morgan Alexander, Rocco Wadsworth, Jim Alexander and Jay Baker.

In addition, each Sunday we had folks who stepped in to help with the set up: Phyllis and Scott Warren, Bobby Woodell, Curt and Elizabeth Dinko and Frank O'Donnell.

Without all these folks and others, we would not have been able to have this wonderful worship experience on the beach. Thanks to everyone!

The 2020 beach services will begin again on May 3.

Pastor Pat

The Malawi child sponsorship mission that LCOB partners with St. Andrews Covenant Presbyterian Church, will begin in October. \$75 is all it takes to sponsor a child's education in Malawi, Africa for a year, providing books, uniforms, and a meal a day. This opportunity not only changes the life and future of the child attending school, but often the lives of their entire family. God is transforming a village in Africa and he has given us the opportunity to join Him in that work.

Please prayerfully consider helping change a child's life with a sponsorship for a year. If you have any questions, please call Janice Willetts at 910-262-8458.

Dear The Little Chapel on the Boardwalk,

Thank you for your donation to The Salvation Army of Cape Fear. Your \$300.00 gift dated 4/23/2019 helps assist our neighbors in need as the region continues to recover from Hurricane Florence. The Salvation Army of the Cape Fear Region serves Bladen, Brunswick, Columbus, New Hanover and Pender counties.

Our Social Services team continues to visit our surrounding counties offering disaster assistance as residents rebuild following the storm. The Soup Kitchen in Wilmington is serving hot meals each evening to anyone in need. We also partnered with Operation Warm this winter to provide over 100 new winter coats to children in all five of our counties.

Our outreach to these communities is possible due to the outstanding support of our partners. We are grateful for your willingness to help those less fortunate!

We are honored that you have included the Salvation Army of Cape Fear in your commitment to our community.
